

Manhattan Coin Club Minutes

July 11, 2017

President Allan called the meeting to order at the American Legion.

Old Business:

The discussion continued about having the coin show and what day, a Saturday or Sunday, the show should be held on. Matt reviewed a survey he conducted with 9 vendors. While there were different opinions most felt the 4th Saturday of March would be best. The membership discussed the pros and cons. There would be an increased cost for room rental for a Saturday vs. Sunday. The membership seemed to feel that keeping it on the same day and date would be best and that a survey should be done of vendors and customers to obtain their views.

As an example for discussion:

- Are you a vendor or a customer?
- Did you see any products in which you are interested?
- What impressed you most favorably about the show?
- Is there something you would have liked to have included/displayed in the show?
- Did you see any product you would like to or did purchase?
- What was least interesting to you?
- What day of the weekend works best for you as a vendor or customer; Saturday or Sunday?
- Do you have any suggestions for improving this show?

New Business:

There was no new business.

Program:

There was no program this meeting. Matt will present a program in August on National notes. There was an active bid board. Jess won the door prize of 3 silver coins.

Alan did share this with the group.

Following the meeting there was some excitement. Ray showed of what is either a petrified stump or, as some commented, a stone he passed. We leave it to you to decide.
