

Manhattan Coin Club Minutes

September 12, 2017

The September meeting of the Manhattan Coin Club was held on Tuesday, September 12, 2017 from 7:30 PM to 9:00 PM at the American Legion Building on McCall Road. Numerous members who regularly attend were absent. The meeting was called to order by the current Club President Allan Terry.

Club Treasurer, David Smies, reminded all club members (except life members) that yearly dues are to be paid each September. He also presented a National Currency \$10.00 Note from a Manhattan bank and offered it for sale as a door prize at our next annual show. That motion was passed with no opposition.

Past club president, Doyle Rippetto, brought up the coffee pot custodian issue and a vote decided this service would be discontinued. Doyle also reported on upcoming coin auctions in the area.

President Allan Terry brought up the U.S. Mint's decision to discontinue all mail-in orders for mint products, effective September 30, 2017. All future orders will have to be placed on-line.

SFC John Phillips then gave a very interesting presentation on (South) Korean coins and currency. Among the items he brought for viewing included a 45-count sheet of uncut ROK currency, coin albums holding 100 won and 500 won coins, and a Korean equivalent to our Red Book. There were numerous questions from the group and everyone seemed to enjoy the talk.

Thanks, John!

No presentation has been scheduled for October, so please volunteer or find a speaker if you can. Every member should present a talk at least once every two years, if possible.

The usual door prize drawing and elections were held. Randy Landreville was elected the new club president. The usual silent auction was then held and numerous coins changed ownership.

The meeting was adjourned at 9:00 PM.
