

Manhattan Coin Club Minutes

November 13, 2018

President Randy L. called the meeting to order. There was a good attendance. A new member, Mick F. was there and the club welcomed him.

Old Business

President Randy L. reviewed the minutes from the previous meeting.

New Business

President Randy brought up the idea of having a competition between displays members or others might create to be held at the coin club show.

Example Exhibits

The proposal had many favorable comments and many questions about where they would be located, security, how and who would judge, and prize. The idea was tabled and members should bring their comments and thoughts to the meeting in December.

Attached are the flyers that Matt has distributed and are also on line.

People to present programs were requested. Ideas for programs are The Basics of Coin Collecting, Coin Dealer Security, Grading Mint State Coins, Collecting US Paper Money, National Bank Notes, Buffalo Nickels, Coin History, Money Trivia, etc. Alan T. volunteered to do a program in January and Chuck T. one in April.

Treasurer's Report

Treasurer Dave S. reported a club balance of \$3,006. There are member dues that are still outstanding.

Auctions

Doyle reviewed upcoming and you may find a listing of auctions at:

<https://kansasauctions.net/calendar/>.

The Topeka coin show will be on November 17th, 2018 at the Mater Dei School, 934 SW Clay St, Topeka.

Program

Matt O. did a very interesting program on online resources for coin collectors. He started with our own coin club web page, <http://manhattancoinclub.org>, where you may find links to other resources and minutes from past meetings. He then showed the club's Facebook page. Both sites have resulted in people coming to the coin show. Matt

recommended Coin World, <https://www.coinworld.com/>, for looking up coin values. To evaluate a coins grade he uses Photograde at PCGS, <https://www.pcg.com/photograde/>, to do comparisons with your coins. Matt also covered different sites that sell coins and this created a short discussion about buying premiums adding to the purchase cost and driving down the value of coins as people pay less when they know there is also a premium.

The club also has a member who they sponsored that is working for Heritage Auctions. Zeke Wischer, 22, of Abilene, Kansas was hired as a cataloger at Heritage Auctions in Dallas, Texas where he started as a PNG intern on February 15, 2014.

Matt also recommended the ANA's web page for additional resources, <https://www.money.org>. He was applauded for an interesting program.

As the meeting was going on Guy C. was putting together coins from the America the Beautiful Quarters Program for members. Guy manages the purchase and distribution of US Mint series coins for members who wish to purchase them.

The door prize of a 1987 silver eagle was won by Robert R. and the child's prize of two Jefferson nickel books was won by Sarah.

Following the silent auction with no further business the meeting adjourned.

The December meeting is our Christmas party. Be sure to bring something sweet to share!

You are invited to attend the 25th Annual Manhattan Coin Show on Sunday, March 17th, 2019 at the Four Points by Sheraton Hotel on Fort Riley Blvd in Manhattan KS. Last year's show was well attended and all dealers present indicated intent to return if scheduling permitted. The show will be advertised nationally and locally. There are many collectors in the region and we expect a good turnout.

Table rental (8' tables) is \$45 in advance (a savings of \$5 over the full price), OR, a deposit of \$10 will hold your table until show time and then a balance of \$40 per table will be due in cash at the beginning of the show (no checks day of show). Dealers must provide their own extension cord and lights. Table covers will be provided. Table locations are at the discretion of The Manhattan Coin Club and are influenced by date of payment. The show will run from 10 AM to 4 PM with dealer set-up starting at 8 AM. Club members are let in at 9 AM (especially those that are helping). Porter help will be available from 8-10 AM and from 4-5 PM. The hotel is enforcing their no outside food and beverage policy. For your convenience, a waiter from the hotel restaurant will come around to get orders and collect payment for that if you so desire. Since this is a family show, the club's security team will be incognito. You are welcome to provide your own security, but we ask that you also be incognito. To reserve your table(s), please complete and return the form below with your rental payment or deposit ASAP.
