

# Manhattan Coin Club Minutes

November 9, 2021

The Manhattan Coin Club met November 9, 2021 at the American Legion, Manhattan, KS. The meeting was called to order at 7:30 PM by MCC President Randy Landreville. A total of 18 people attended, including new youth member Elliot Solander, and 3 women, including Melissa McIntyre, and Cari Davis.

Minutes from the October 2021 meeting were discussed and approved. Club President Randy Landreville introduced new MCC members Larry Williams, Michael Crowson, and youth member Elliot Solander.

Members Chuck Tannehill, Dave Smies, and Matthew Olson were absent. Allan Terry was asked to record meeting minutes.

## Treasurer Report:

An announcement was made that MCC Treasurer Dave Smies is doing well after surgery and he plans to open his new coin store in the West Loop Shopping Center by year's end.

## Auctions:

Doyle Rippetto described the dates, locations, and main contents of upcoming area coin auctions. Attendees were reminded of the November 20th Coin Show in Topeka, the January 8th Junction City Coin Show, and our March MCC Show in Manhattan. You may find information on auctions at: <https://kansasauctions.net>.

Several attendees gave interesting short presentations on "alternate hobbies" (other than numismatics). Cari Davis presented fascinating "doll houses," fascinating and intricate miniature scenes with hat accurately portrayed scenes on a very small scale (see photos). Elliott Solander discussed his collection of various glass soft drink bottles. Melissa McIntyre discussed her hobby of collecting arrow heads, showing a wide variety of sizes, shapes, and colors.

The usual silent auction was held with a smaller than usual number of items up for bid.

## Future Programs:

The December program is our **Christmas Party**. Bring a treat to share. Chuck Tannehill will have the program.

Following the program and with no further business the meeting concluded and the bid board reopened.
